

## Making the Right Connections

### *A Four Step Process*

SCAPCP can be your “professional home.” Membership offers you information and resources customized to your needs and interests, along with the opportunity to build productive and lasting relationships with others who understand your issues and concerns. All you need to do is access it! Follow the four steps below to get the most value from your SCAPCP membership.

1. **Focus on personal and professional goals**
2. **Know SCAPCP benefits and access points**
3. **Match benefits to your professional goals**
4. **Maximize involvement**

### **Before you join you may want to know...**
